# flipper®

## ToothbrushHOLDER

- :: Opens & closes automatically
- :: Hygienic
- :: Suction cupped
- :: Patented design
- :: Award-winning mechanism

1. Stick the suction-cupped Flipper® on a smooth, clean surface. Flip open body with index finger.
2. Insert your toothbrush head right into open body.
3. Flipper® will automatically snap shut.
4. Hold toothbrush by handle and pull out. Flipper® will snap open.
